

Diversity, Equity & Inclusion in the Workplace in 2021 Focus: Recruiting

Please join us for our 2nd Diversity, Equity and Inclusion webinar when we discuss the many differences that enrich the modern workplace as we know it. These include (but are not limited to) culture, race, ethnicity, religion, gender, age, socioeconomic status, national origin, language, sexual orientation and disability. In 2020, Forrest Solutions formed a Diversity and Inclusion committee to improve training and educational initiatives ensuring alignment with our business goals. We welcome and encourage all respectful dialogue and exploration of diverse ideas, topics, perspectives and issues to enrich all organizations.
